

**REMARKS**

The Notice of Allowance and Issue Fee Due ("the Notice") dated April 24, 2006, has been carefully considered. Applicants wish to thank the Examiner for allowance of Claims 1-18.

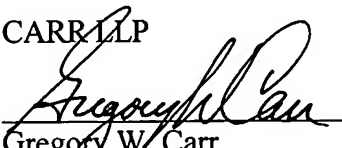

This amendment is submitted pursuant to Rule 312, subsequent to notice of allowance and prior to payment of the Issue Fee for the above-referenced Application. The purpose of this amendment is to correct the Title of the above-referenced Application. The Title of the original Application filed December 9, 2003, correctly reflects the title. The Title of Invention given on the Notice has "IMPROVED" deleted. This amendment corrects the Title to read "IMPROVED METHOD OF RESOURCE ARBITRATION".

Applicants do not believe that any fees are due; however, in the event that any fees are due, the Commissioner is hereby authorized to charge any required fees due (other than issue fees), and to credit any overpayment made, in connection with the filing of this paper to Deposit Account No. 50-0605 of CARR LLP.

Should the Examiner have any questions or comments regarding this response, the Examiner is invited to telephone the undersigned at the number listed below.

Respectfully submitted,

CARR LLP
